Standards for RTOs 2015

Industry Engagement

Standard 1

The RTOs training and assessment strategies and practices are responsive to industry and learner needs and meet the requirements of training packages and VET accredited courses

Clause 1.5

The RTOs training and assessment practices are relevant to the needs of industry and informed by industry engagement

Clause 1.6

The RTO implements a range of strategies for industry engagement and systematically uses the outcomes of that industry engagement to ensure the industry relevance of:

- a) Its training and assessment strategies, practices and resources; and
- b) The current industry skills of its trainers and assessors
